Interested in becoming a Disability Inclusion Facilitator?

The Disability Inclusion Academy is a fellowship programme that aims at building the capacity of individuals with different impairments to offer expertise on disability inclusion.

The program starts with a 1-day interview process closely followed by a 6-day training. Trainees will then undergo mentoring and coaching on-the-job.

Successful participants will become part of a pool of Disability Inclusion Facilitators (DIFs) and be called upon regularly to offer services to the We Are Able Programme (www.zoa-international.com) and the Make 12.4% Work Initiative (www.wecanwork.ug).

DIFs will:

- Identify, grow and sustain partnerships, train and coach organisations on including persons with disabilities.
- Gather pertinent information that shall inform interventions for the We are Able programme.
- Organise and link persons with disabilities to livelihood opportunities.
- Become role models to other persons with disabilities within the region through experience sharing.

For more information, contact Lydia Abenaitwe: 0782620947/0700135334 (within working hours)
